Malabe Sri Lanka,

Dear Sir,

Data Support for Research wild elephant research Project

We acknowledge receipt of your letter dated 18th November 2024 regarding the research project titled "Wild Elephant-Care: Wearable IoT-Enabled Belt for Elephant Protection & Emergency Identification."

We deeply appreciate the innovative approach and dedication demonstrated by your team in leveraging technology for wildlife conservation.

As part of this important project, we understand that two of your students, IT21202254 – Perera B.A.D.K.S and IT21301704 – De Silva L.M.C, have visited this department to discussion and collect data for additional insights on Wild elephants.

I have provided the necessary information, including heart rate, body temperature, and blood oxygen levels, to support the continuation and success of their research endeavours.

I am pleased to support this project that holds significant potential for enhancing wild elephant protection and emergency response mechanisms through this technology. If further information or assistance be required, please do not hesitate to reach out to us.

Thank you

Dr. Tharaka Prasad
